CONCEPT begeistert Designer und designbewußte Endverbraucher durch seine Oberfläche, die den Materialien einen schimmernden Glanz verleiht, der ja nach Lichteinwirkung in die Räume ausstrahlt. Dieses Material, mit der gegensätzlichen Ausstrahlung von einerseits Ruhe und Wärme aber andererseits auch Kraft und Lebendigkeit, schafft individuelle Lebensräume mit denen sich jeder auf seine eigene Weise identifizieren kann.

CONCEPT inspires designers and design-oriented customers by its surface, which gives these materials a resplendent gloss that, after giving influence of light, radiates itself into every rooms. This material, with the opposite radiant charisma of peace and warmth on the one hand and strength and liveliness on the other, creates individual living and working spaces in which everybody can identify himself.

CONCEPT galvanise l'architect et les plus renomés utilisateurs par sa surface qui donne aux matériaux un éclat scintillant et rayonnant dans tous les cadres. Ce matériau au rayonnement contradictoire de calme et de chaleur d'une part mais aussi de force et de vivacité d'autre part, génère des espaces individuels de vie permettant à chacun de s'y identifier à sa propre manière.

CONCEPT ispira i progettisti ed i più qualificati utilizzatori tramite le sua superficie, che dona a questi materiali una lucentezza risplendente e variabile in grado di riflettere la luce, irradiandosi in tutti gli ambienti. Il carisma radiante di questo materiale da un lato, la sua forza e vitalità dall'altro, creano insieme spazi di vita e di lavoro in cui ognuno si può identificare.
